

OhioLINK

eTutoring

**Free online
tutoring that fits
your schedule**

Help for undergrads from trained tutors on a new user-friendly online platform at no cost to students. OhioLINK eTutoring offers students more flexibility. Tutors are often scheduled for evenings and weekends when your local academic support center is closed.

online tutoring

drop-in
sessions in a
variety of subjects

OR

online writing

upload assignments
and get help to
improve your writing

Subjects may include

- Algebra
