Setting Up Your Account

Sign Up

Create your account as a student using your first name, last name, school email address and password. If you are using Single Sign-On, sign in using your school's credentials.

Sign up and start your search

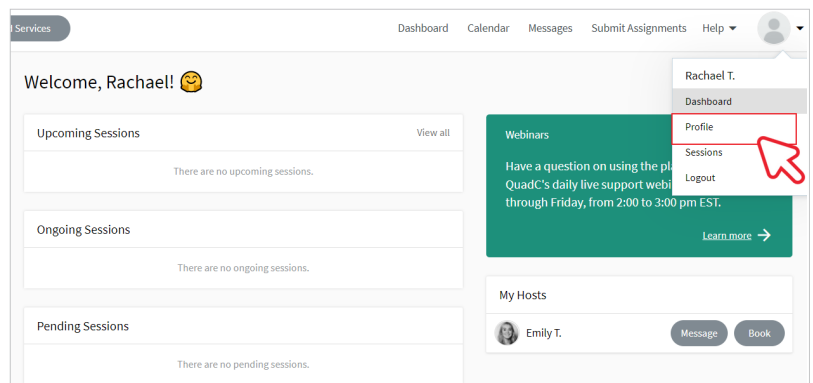

Sign Up

By proceeding you are agreeing to our [Terms of Use](#).

Already have an account? [Log in here](#)

Completing Your Profile

Students must complete a profile by entering additional information such as student number, campus location, program of study, semester, etc..

The screenshot shows the 'Student Account' profile page for Rachael T. The page is titled 'Student Account' and includes a 'Dashboard' link. The user's name is 'Rachael T.' and they are a member since January 2022. The 'Account Settings' section is expanded to show 'Personal Information'. The fields are: First Name (Rachael), Last Name (T), Email (rachael@test.com), Phone Number (with a Canadian flag icon), Student Number (with a placeholder 'Enter the student number'), Faculty (with a dropdown menu), and Program (with a dropdown menu). A checkbox for 'I agree to QuadC University's' is at the bottom. A red box highlights the 'Personal Information' section.

Verifying Your Email Address

Students must verify their email to gain access to the platform's services. If you are using Single Sign-On, you will not need to verify your email address.

Finding a Host

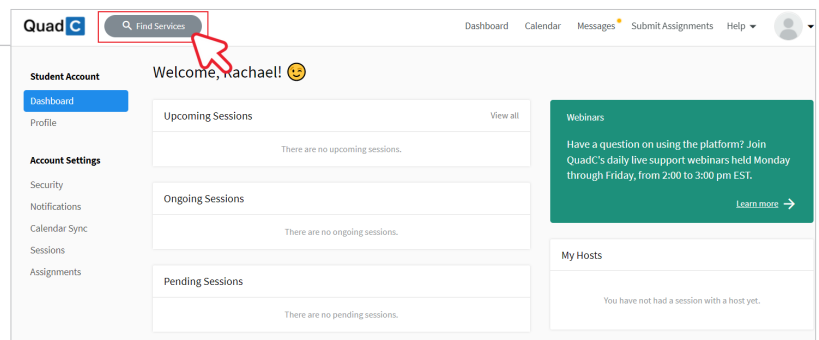

List View

Starting Your Search

Students can search by subject, course, or host name.

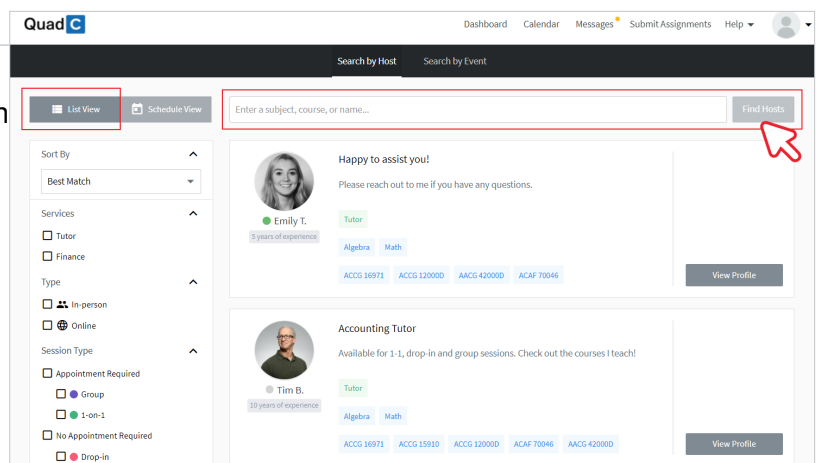

Step 1:

Click on Find Services at the top of the page

Step 2:

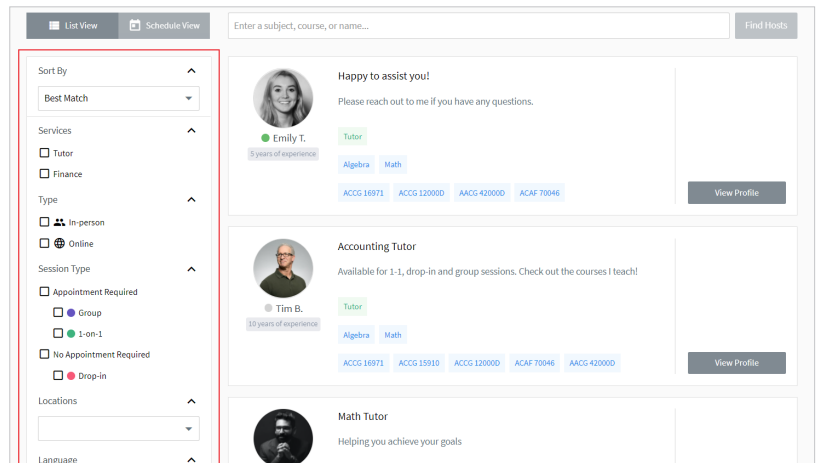

Click on List View and enter a subject, course code, or host name into the search bar

Filtering Your Search

Students can filter their search for hosts by Service, Type, Session Type, Location, Language, Status, Rating, etc.

- Service: Choose what service you are looking for help in
- Type: Choose whether you want to meet online or in-person
- Session Type: Choose whether you want to book the session in advance or drop-in

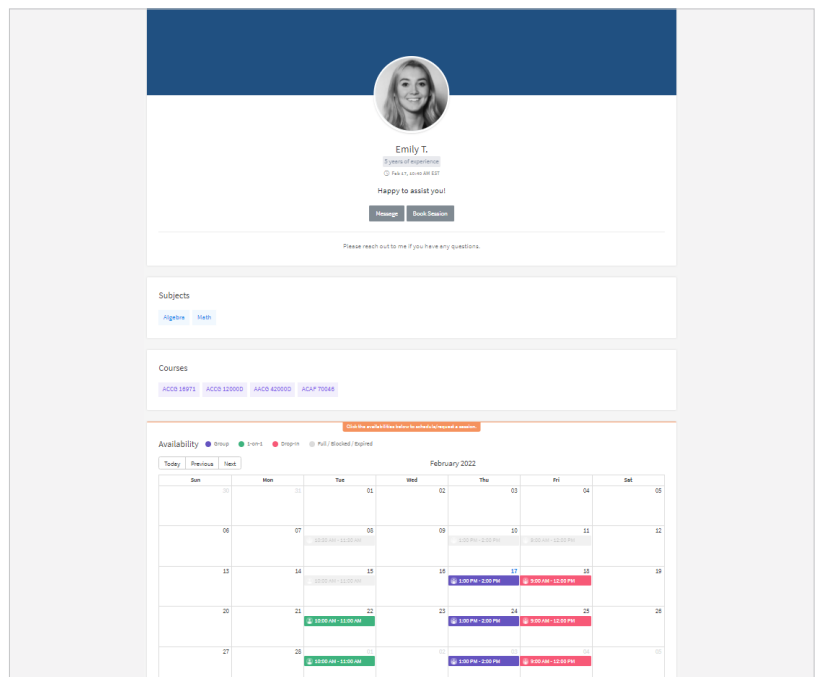

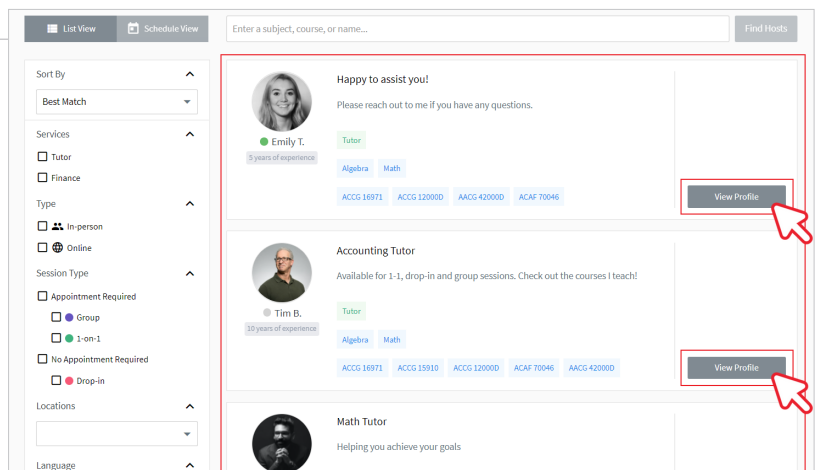

Viewing Host Profiles

Students can expand host profiles to see full description, availability, reviews, and more.

Step 1:

Scroll through host profiles that match your search

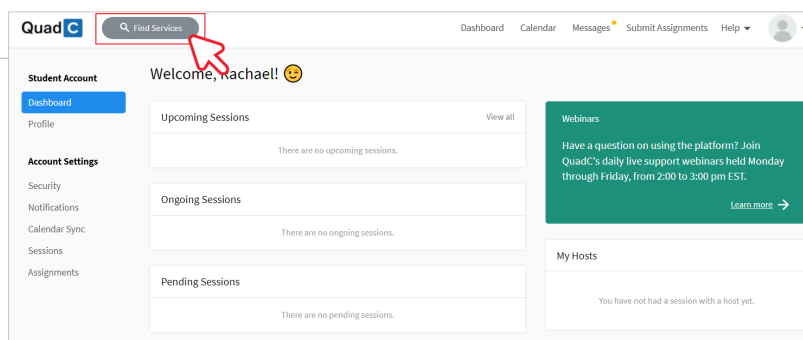

Schedule View

Starting Your Search

Students can search by subject or course code.

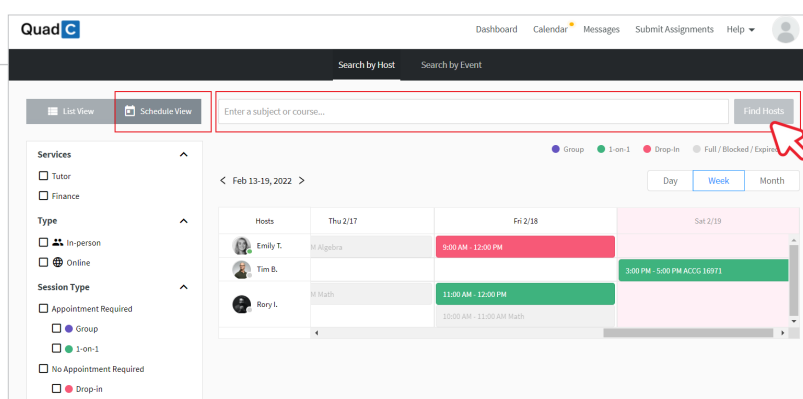

Step 1:

Click on Find Services at the top of the page

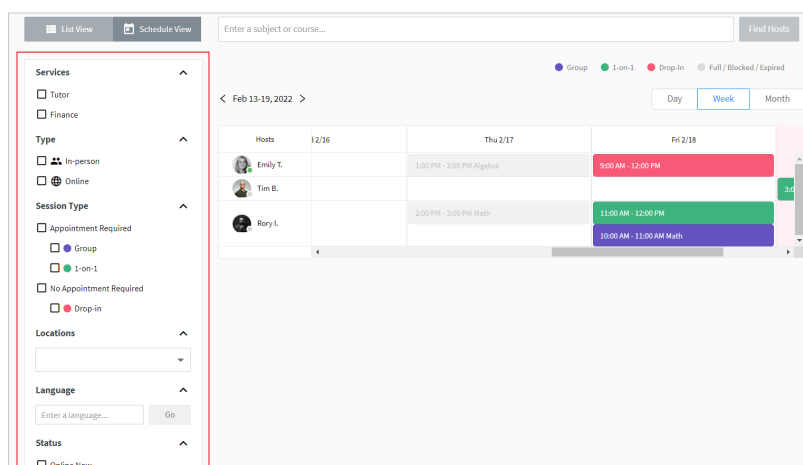

Step 2:

Click on Schedule View and enter a subject or course code into the search bar

Filtering Your Search

Students can filter their search for hosts by Service, Type, Session Type, Location, Language, Status, Rating, etc.

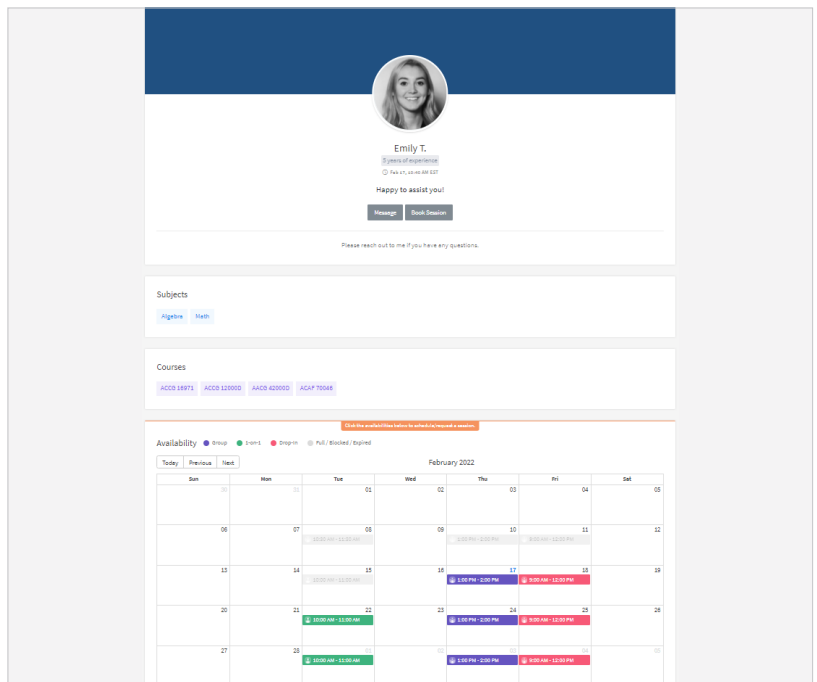

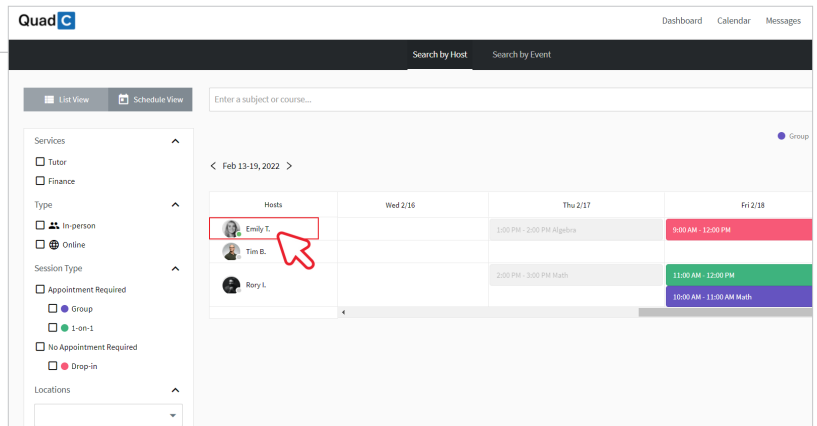

Viewing Host Profiles

Students can expand host profiles to see full description, availability, reviews, and more.

Step 1:

Click on a host's name to view their full profile

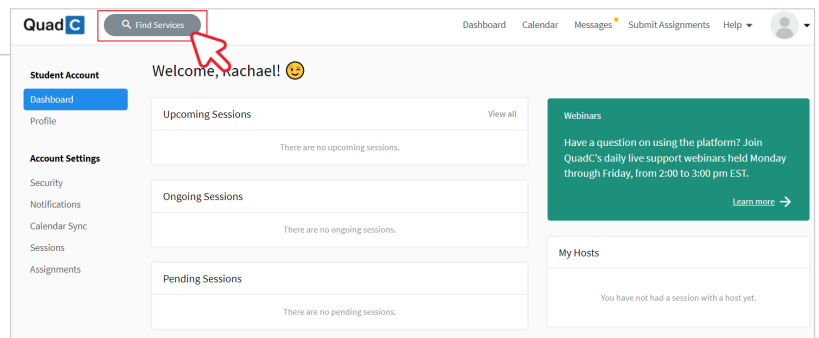

Booking a Session

In List View

Students can book sessions with new hosts by viewing their host profiles.

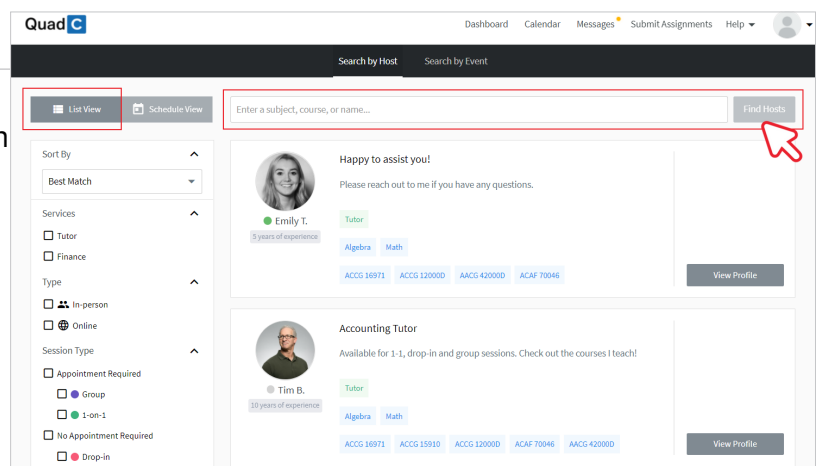

Step 1:

Click on Find Services at the top of the page

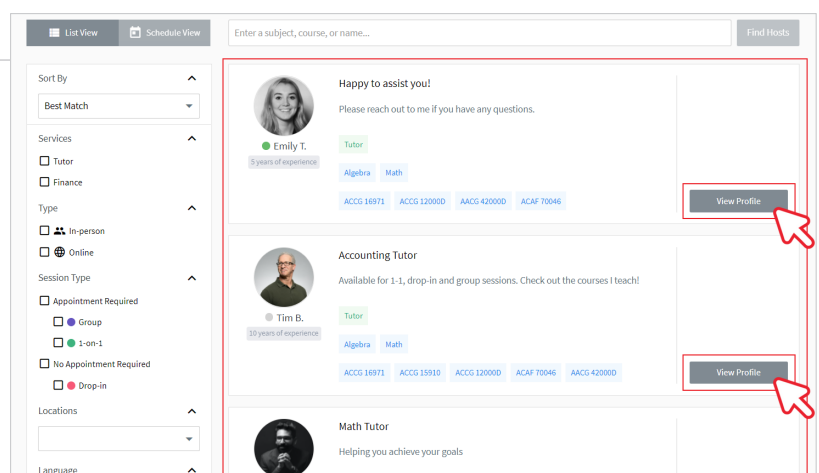

Step 2:

Click on List View and enter a subject, course code, or host name into the search bar

Step 3:

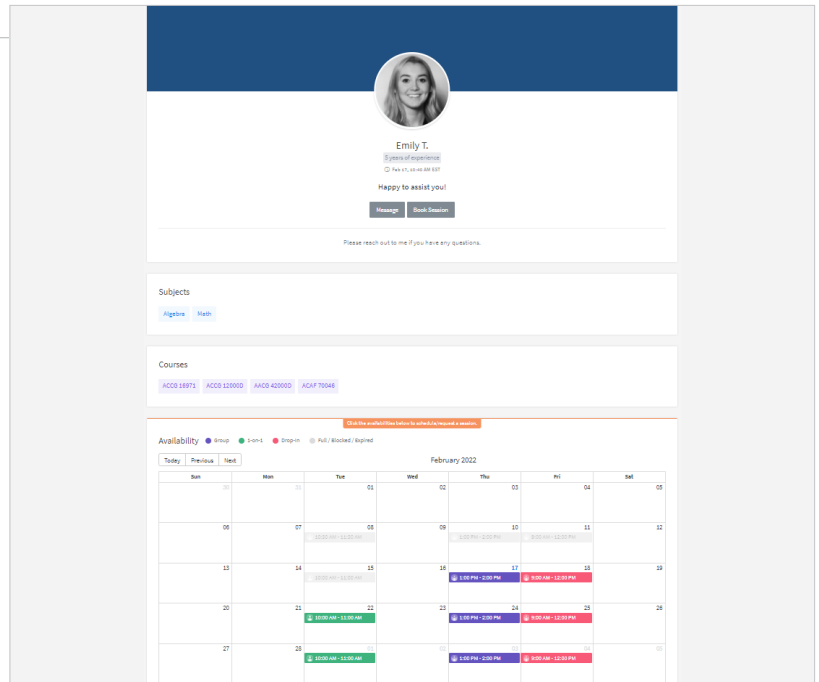

Scroll through host profiles that match your search and click on View Profile to expand the host's profile

Step 4:

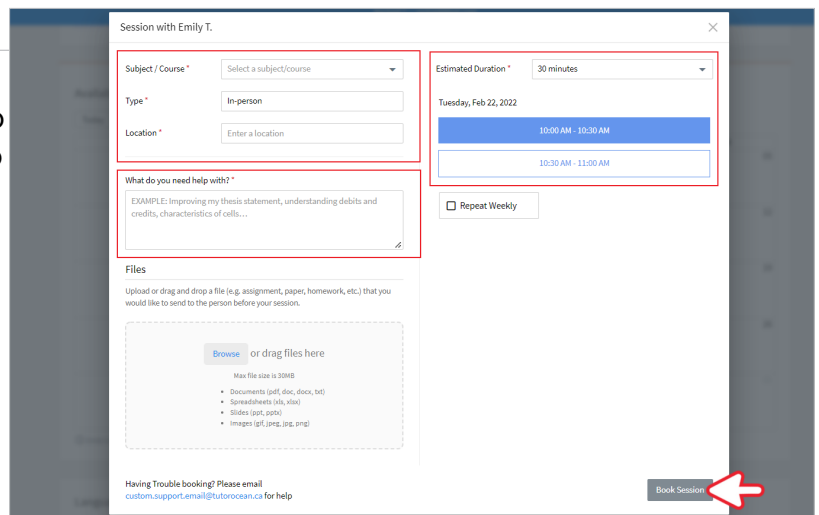

Scroll down to the host's availability and click on a date/time slot

- **Purple time slots** indicate that the host is available for a group session for that time slot.
- **Green time slots** indicate that the host is available for the full or partial length of the time slot.
- **Pink time slots** indicate that the host is available for a drop-in session.
- **Grey time slots** indicate that the session is full or expired, or the host is unavailable for that time slot.

Step 5:

Fill out all required fields and click on Book Session. You may also attach files to the booking in order to send them over to the host before the session occurs

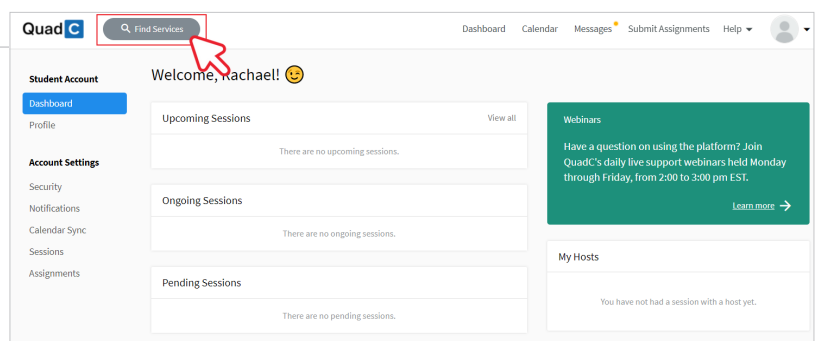

In Schedule View

Students can book a session with a host by searching and filtering in the Schedule View.

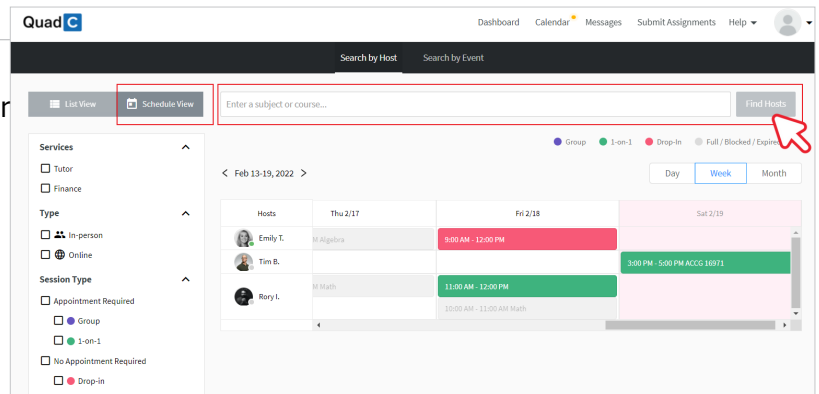

Step 1:

Click on Find Services at the top of the page

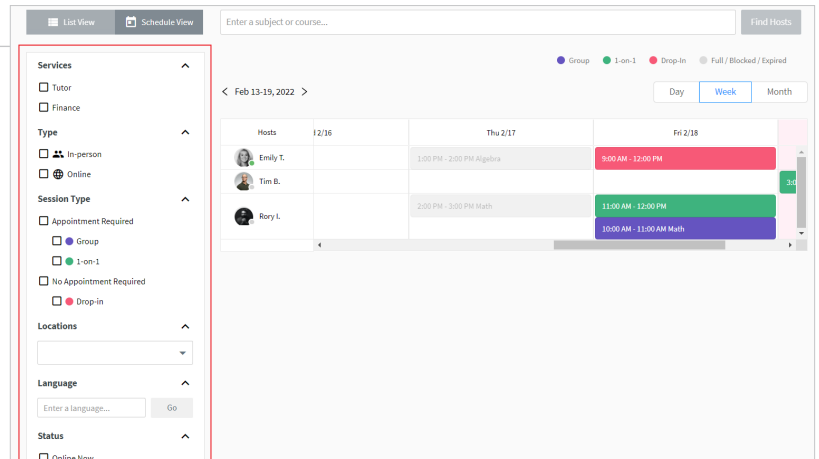

Step 2:

Click on Schedule View and enter a subject or course code into the search bar

Step 3:

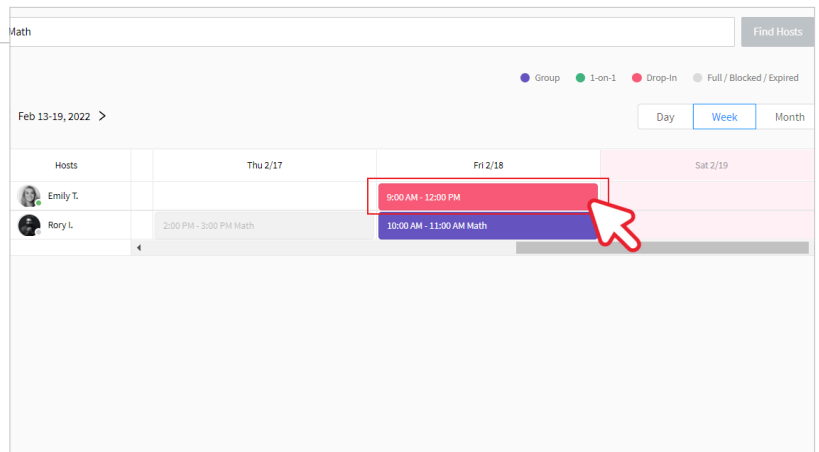

Filter your search for hosts by Service, Type, Session Type, Location, Language, Status, Rating, etc.

Step 4:

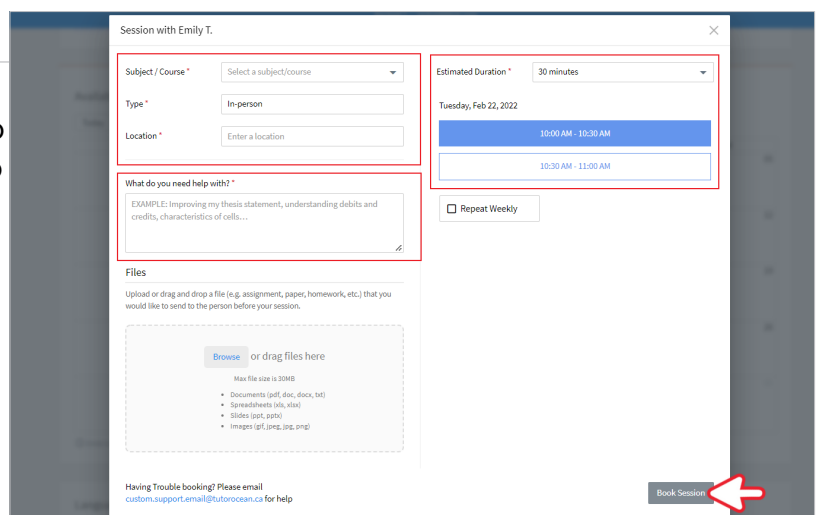

Choose a host and time slot that matches your search

- **Purple time slots** indicate that the host is available for a group session for that time slot.
- **Green time slots** indicate that the host is available for the full or partial length of the time slot.
- **Pink time slots** indicate that the host is available for a drop-in session.
- **Grey time slots** indicate that the session is full or expired, or the host is unavailable for that time slot.

Step 5:

Fill out all required fields and click on Book Session. You may also attach files to the booking in order to send them over to the host before the session occurs

Managing Sessions

Via Calendar

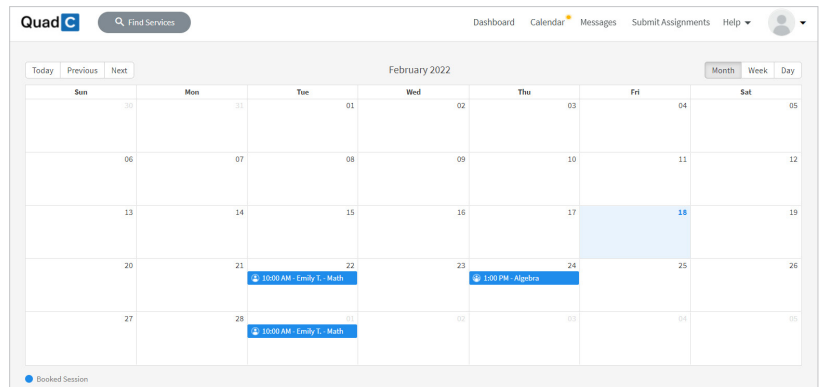

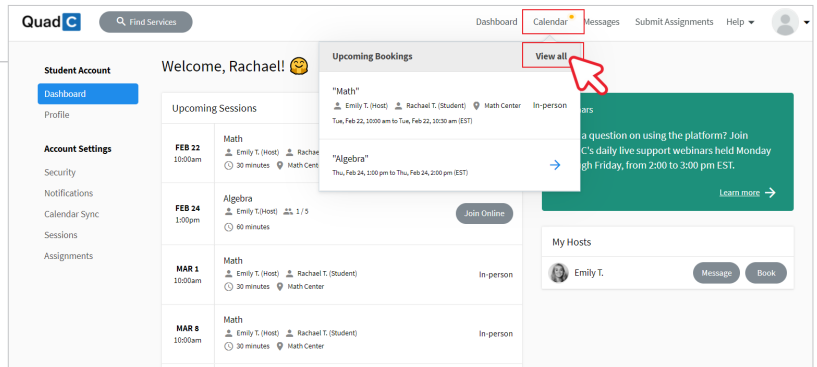

Students can view their past, pending, or upcoming bookings through their bookings calendar.

Step 1:

Go to 'Calendar'

Step 2:

Select 'View all'

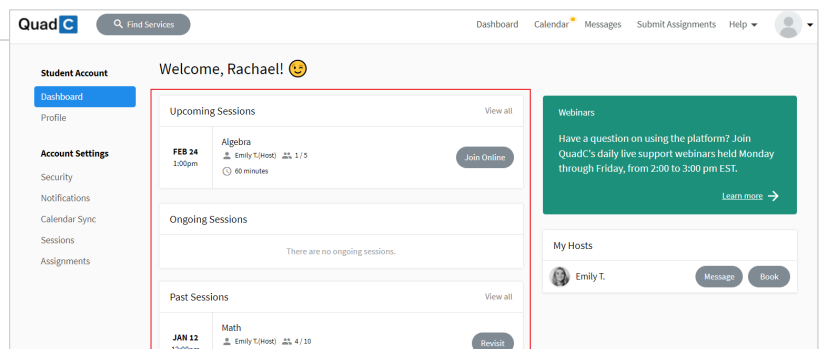

Via Dashboard

Students can view their upcoming, ongoing, and past sessions via their Dashboard.
