OhioLINK
Shared Collections

OhioLINK member libraries make their physical collections available across the state, delivering items to the participating library of your choice in 2-3 business days. The shared collections include books, sheet music, and audiovisual materials, among others. In addition, 26 public libraries share their materials with OhioLINK via SearchOhio. OhioLINK funds and manages the central searchable catalog, the requesting software, and the courier service that delivers the material. The Central Catalog is available at http://olc1.ohiolink.edu.
