Approved Recommendation

The InterCampus Services Committee (ICS) recommended to the Regional Depositories Governing Council that all bound journals held in the Shared Depository Catalog (OHDEP) be allowed to circulate for 3 weeks. Currently, bound journals can circulate either for 1 week with no renewal (unclassified journals) or for 3 weeks with 4 renewals (classified journals). To limit confusion and because these are low use items to begin with, it was recommended that all journals circulate for 3 weeks with 4 renewals. This recommendation was approved by the Regional Depositories Governing Council during their February 9, 2012 conference call.
