

## Stewardship

Cooperatively and cost-effectively acquire an expanding array of the best academic library content

Preserve shared digital content and collaboratively manage print collections

## Discovery & Access

Enhance and increase discovery opportunities

Provide secure, state-of-the-art access to resources

## Partnerships

Seek external partnerships

Fully leverage member collaboration

# Stewardship

## GOAL

### Develop sustainable funding models

**DONE** Purchase shared ebook packages (IOP, UPSO; Palgrave; Additional: Ebook Funding Model)

## GOAL

### Increase levels of collaborative management of print across OhioLINK members

**ONGOING** Develop guidelines for the deduplication of monographs (OU-OHIOLINK Depository Grant)

**ONGOING** Deduplicate journals in the depositories

**SUSPENDED** Expand collaborative management of print outside of depositories

## GOAL

### Manage resources effectively by making data driven decisions

**DONE** Identify and produce useful consortial data for effective resource management across the life-cycle of shared collections: acquisition, access, and preservation

# Discovery & Access

## GOAL

### • Deliver personalized, flexible content

- DONE Increase percentage of platforms with mobile interface (New EJC, new EBC, ETD upgrade, Affordable Learning website, new OSTAFF)
- DONE Increase percentage of shared ebook purchases that are “download to device” (IOP, Palgrave content from Springer)
- DONE Increase percentage of shared ebook purchases that are DRM-free (IOP, Palgrave content from Springer)

## GOAL

### Integrate systems

**On HOLD**, active investigation Develop authentication system

**Not Achievable** ~~Develop single requesting system for all items~~

## GOAL

### Embed OhioLINK, institutional and/or national access points within OhioLINK managed applications

**SUSPENDED** Develop and execute a linked data initiative

**DONE** Integrate ORCID IDs into ETD

**SUSPENDED** Extend ORCID integration from ETD to other relevant resources

# Partnerships

## GOAL

### **Collaborate with other consortia/initiatives**

**DONE** Become a Digital Public Library of America service hub (Thanks SLO)

**DONE** Identify other potential partners that would strengthen OhioLINK's content or service offerings (Open Education Collaborative (OER Grant), Diversity Initiative, Open Textbook Network)

## GOAL

### **Strengthen OhioLINK relations with Ohio governmental agencies**

**DONE** Monitor Ohio governmental initiatives so that OhioLINK can nimbly and appropriately respond (Textbook Affordability/OER grant/State of the State Invitation)

**DONE** Demonstrate need for increased state funding for increased content (Maintained increase in capital appropriation)

# Partnerships (continued)

## GOAL

### **Strengthen intra-consortia partnerships**

**DONE** Propagate OhioLINK values and principles to members of OhioLINK governance committees (Committee Reformulation, code of conduct)

**DONE** Ensure orientation for personnel at OhioLINK member libraries (OhioLINK Annual Summit, Webinars, new Ostaff)

## GOAL

### **Appropriately support textbook affordability efforts at the Ohio Department of Higher Education and member institutions**

**DONE** Host Open Textbook Network workshops and lead development of OhioLINK System Leaders for OER awareness and advocacy across member institutions

**DONE** Implement Affordable Learning Ohio website for searching OER and library resources and promotion of institutional initiatives.

**IN PROCESS** Implement OhioLINK branded OER Commons site for collaboration and creation of Ohio OER resources
